2010 SPONSORS INFORMATION

Springfield Challenger is one of the largest Challenger Programs in the world. This year we have 20 teams and over 200 players. We need the help of sponsors, like you, to give our kids with special needs an opportunity to continue to participate in our American pastime not only this year but for seasons to come. Our program is dynamic and growing with two divisions based on age and maturity; a Majors program to accommodate our teens and young adults and our Little Challengers for kids 12 and under.

Our sponsor contributions are used to pay for equipment and uniforms, player awards and recognition plaques, team pictures, our league picnic and to provide financial assistance to our families for registration fees and the Virginia Beach Fun Tournament. Your support is vital to our continued success and our ability to make a difference in the lives our kids. Without your support many of these kids would not be able to play.
